There are a limited number of daycare spaces that become available each year. We will contact you by mid-June should a space become available. If you do not hear from us by the middle of June it means that no space has opened up. If you wish to stay on the waiting list for another year, you must contact the daycare by the end of June. As a result of these factors, age of your child when space becomes available is the most critical factor and not date of application.
